*You have given young adults in West End
the opportunity of a lifetime!*

*WE Work, Urban
Ministry's two
year apprentice
program,
launches this
month!*

The first class of WE Work apprentices!

*The WE Work program at Urban
Ministry offers young adults who
live in West End the opportunity
to get paid to learn.*

*This two-year apprentice program
includes classes on essential life
skills, connections to full time
employment, mentors, and an
opportunity to lease-to-own a
home through our WE Build
program.*

WE Build Apprentices

*You are providing life
changing opportunities to
young adults in West End*

*WE Work apprentices work
closely with program
directors for WE Cafe, WE
Build, and WE Learn to
learn marketable skills in
relation to their trade.*

**WE Work is grateful for the Holle Family
Foundation's support to make this program
possible!**

You painted and renovated over 16 West End homes this summer!

Trinity United Methodist Church painting houses this summer

This summer, over 200 volunteers painted 16 houses in West End and the WE Learn classrooms on rainy days through our Joe Rush program! This work couldn't happen without you!
