Matching Campaign is back!*

Kim's illness was getting worse. She lost her job at Walmart because she was too sick to even walk. She and her son Steven, who has Aspergers and ADHD, couldn't pay the bills that kept piling up. Soon, their lights and water were cut off, and they had no safe place to live. In pain, in the dark, and on the brink of homelessness, they were scared.

"I didn't know what to do. I've never been in a situation this bad before.... we were running out of places to go."

When Steven and Kim had no where else to turn, you showed them love and support.

Kim and Steven give back by volunteering with Urban Ministry

2021 Matching Campaign

DOUGH**

**Don't Wait - You Can
Change the World Today!**

WE Double Dog Dare You!

You're gift in response to this newsletter will be doubled, up to \$100,000!

Because of you, Kim and Steven secured temporary housing while Kim recovered. Soon, she was well enough to go back to work. You provided transitional housing, medical care, jobs, and transportation to help them get their lives back on track.

Now, Kim and Steven give back to their community by volunteering with Urban Ministry to help people who are going through what they went through.
